**Friends**

It has been said that the most influential people in our lives are our friends. Perhaps that's why *The 30 Sayings of the Wise* includes a description of four friends that we should avoid making: the hot-tempered, slothful, troublemaker, and rebellious.

Saying 2:	Anger Danger	(Proverbs 22:24-25)
Saying 15:	Slothful Man	(Proverbs 23:29-21)
Saying 19:	Bad Company	(Proverbs 24:1-2)
Saying 30:	Resist Rebels	(Proverbs 24:21-22)

**Conclusion**

When we listen, learn, and lean on God, He equips us with wisdom to navigate through conflict to community.
