Future

Everybody desires hope, a confident assurance regarding the future. That hope comes exclusively from God. *The 30 Sayings of the Wise* offers four practical ways for us to experience God's hope on this side of heaven: don't envy sinful people, seek wise counsel, get wisdom—fuel for the soul, and don't worry about the wicked.

Saying 14: Envy Evil Error (Proverbs 23:17-18)

Saying 21: Wise Words Win Wars (Proverbs 24:5-6)

Saying 26: Sweet Success (Proverbs 24:13-14)

Saying 29: Wicked Worry (Proverbs 24:19-20)
